

ICFIP 2023

Osaka, Japan
October 27-29, 2023
www.icfip.org

Image processing is now routinely used by a wide range of individuals who have access to digital cameras and computers. With a minimum investment, one can readily enhance contrast, detect edges, quantify intensity, and apply a variety of mathematical operations to images.

2023 6th International Conference on Frontiers of Image Processing will be held in Osaka, Japan during October 27-29, 2023. It aims to provide a forum for researchers, practitioners, and professionals from the industry, academia and government who are working in the field of image processing to discourse on research and development, professional practice in related fields.

The conference program will feature keynote and plenary sessions, technical and paper presentations. Distinguished speakers will be invited to deliver keynote and invited speeches on image processing. Attendees will have the opportunity to interface with experts from all related fields.

Call for Papers

Topics of interest for submission include, but are not limited to:
Medical Image Processing and Analysis Techniques

- Medical imaging (CT, PET, MRI, SPECT, Ultrasound, etc.)
- Image reconstruction
- Computer-aided diagnosis systems
- Image-guided therapy
- Treatment monitoring and planning
- 2D and 3D modelling

Remote Sensing and GIS

- Mobile and Wireless GIS
- Geospatial Information Visualization and Service
- Multi-dimensional GIS (3D GIS)
- Indoor, Outdoor and Underground Location
- Remote Sensing Image Preprocessing
- Multi-sensor and Multisource Data

Virtual Reality and Augmented Reality

- Computational Geometry
- Interactive Environments
- Virtual environments
- Immersive Virtual Reality

For more topics, please visit: <http://icfip.org/#cfp>

Submission

Submission Link: <https://www.zmeeting.org/submission/icfip2023.pdf>
Submission Email: icfipconf@outlook.com (.pdf or .doc)

Notes: It's acceptable to submit your abstract to us for only oral presentation if you're not expecting any publication of your paper.

Important Dates

Submission Deadline: May 30, 2023
Notification Date: June 25, 2023
Camera-Ready Paper Due: July 10, 2023
Authors' Registration Deadline: July 10, 2023
Conference Date: October 27-29, 2023

Publication

Submissions will be peer reviewed by both the conference scientific committees and JOIG editorial board, and accepted papers will be published in **Journal of Image and Graphics (ISSN:2301-3699)**, which will be indexed by **Scopus** (Since 2021), **CNKI**, Ulrich's Periodicals Directory, Google Scholar, Crossref, etc.

Conference Brief Schedule

Friday, October 27, 2023	
10:30 - 17:30	Arrival and conference materials collections
Saturday, October 28, 2023	
9:00 - 12:15	Opening Ceremony & Keynote Speech & Plenary Speech
13:30 - 18:00	Parallel Sessions
18:00 - 18:30	Technical Committee Meeting
18:30 - 21:00	Closing Session & Gala Dinner
Sunday, October 29, 2023	
9:00 - 17:00	Technical Visit/Excursion

About Osaka

Osaka is the capital city of Western Japan, and the second largest metropolitan city in Japan after Tokyo. It's one of the most popular tourist destinations in Japan that attracts visitors from all around the world. Together with Tokyo and Kyoto, Osaka is one of three must-visit cities in Japan for every visitors to Japan.

There are countless tourist attractions in Osaka including delicious local food, trendy shopping streets, bustling districts lit by neon lights, modern skyscraper, the world's greatest amusement park, and more. The unique culture and friendly locals are also two attractive points that add a distinctive character to the city like no other.
